

Retailers - Give your business wings

New & emerging retailers

READY, SET, RETAIL!

**5 STAGE
INCLUDES BOTH ONSITE & OFFSITE SESSIONS**

Our Ready, Set, Retail! Programs challenges new and emerging retailers to understand and deliver best practice whilst supporting them in their pursuit for long-term sustainable performance and future growth.

As a new or emerging retailer, our Ready, Set, Retail! program has been developed to inspire and challenge you to strive for best retail business practice, maximise opportunities in an ever-changing retail environment, achieve strong and sustainable business performance as well as be equipped to ensure that essential retail business foundations are in place.

In order to cultivate & nurture you in your quest to be a great retailer, we recommend our multi touchpoint, 5 stage Ready, Set, Retail! Program. The multi-touchpoint approach ensures we have regular contact, keeping you motivated, committed and focused on maximising sales and profits and supporting you to achieve your goals.

Our aim is to inspire and challenge new and emerging retailers to understand why and how to act to:

- **Build** essential business foundations
- **Elevate** business knowledge
- **Identify** business opportunities
- **Maximise** business performance
